

MAIN PUMP STATION VALVE REPLACEMENT
ADDENDUM I
2/20/17

1. Added Milliken Model # for the plug valve with electric actuator 601N1FLG and Milliken Model # for the oil cushioned check valves with outside lever and weight CCNE 9001.
2. Replaced: “The actuators shall be Limatorque, or equivalent and the plug valves shall be Milliken, or equivalent.”

With: “The actuators shall be Limatorque, Rotork, Beck, or equivalent and the valves shall be Milliken, or equivalent.”
