Signature Engineering Dept Date

To connect to the North Charleston Sewer District public sewer system when a sewer extension is not required, fill out and sign the applicable Sewer Connection Application ([Commercial](#) or [Residential](#)) and return along with the permit fee. The approximate location of the sewer connection point will be located after the permit has been purchased.

*If a sewer extension is required follow the procedures contained in the [North Charleston Sewer District Use Resolution, 2009-20, Section 6.04.](#)
