

## **Education and Outreach**

### ***Speakers Available for Your Organization***

Would you like to have a speaker from the North Charleston Sewer District present at your next meeting? We have a range of speaking topics available that are very interesting and can be tailored to your audience. Please contact District Offices to book a presenter for your next meeting, email: [lmathis@ncsd-sc.com](mailto:lmathis@ncsd-sc.com).

### ***Public Education***

Tours of our wastewater treatment plant are available. To schedule, contact District Offices 843.764.3072 or email: [lmathis@ncsd-sc.com](mailto:lmathis@ncsd-sc.com).

The North Charleston Sewer District is happy to provide information to teachers and assist students working on science projects, research papers, etc.

- Classroom lesson plans/experiments are available.
- The District has informational hand-outs to supplement related environmental units.
- The District likes to partner with students as a resource for related science projects.
